

Position available:  
**Ecologist – Contract**

quality solutions sustainable future

**Are you a passionate ecologist looking for an exciting opportunity to work with a great team?**

GeoLINK is a multi-disciplinary environmental management and design consultancy established in Northern NSW over 25 years ago, with offices in Armidale, Coffs Harbour, Lennox Head and Lismore. Our principal services are planning, environmental assessment, ecology, civil and environmental engineering and urban design. We are looking for a suitably qualified and highly motivated contract ecologist to join our team.

**The position:**

This ecologist role is a full time, fixed term contract for one year, with our preferred base being Coffs Harbour. The role is diverse and comprises desktop and field work in all terrestrial ecosystems (potentially including working in remote areas for prolonged periods). It requires high level reporting and project management skills and experience. You will be responsible for providing accurate scientific and legislatively qualified ecological advice to GeoLINK clients and staff as part of development applications, REFs, EISs, VMPs, species specific management plans, offset plans, consent condition compliance, as well as community projects.

**We can offer you:**

- An interesting and challenging role.
- A chance to work with a team of experienced and dedicated environmental and engineering professionals.
- A wide range of interesting and rewarding environmental projects for public and private sector clients.
- An attractive salary, commensurate with skills and experience.
